

PVL,

Thanks for all the improvements in the work your team is doing this year. The grass looks fabulous and the pruning is beautiful. David has been in touch and we will replace some dead plants. This is the outstanding service Pleasant Valley is famous for.

Please give my thanks and compliments to the team responsible for my yard.

Thanks again,

PVL,
I want to let you and the rest of the crew at Pleasant Valley Landscape know how thrilled we are with the work you all have done at our house this week. I am definitely yard proud! We very much appreciate that you worked us into your schedule out of what has become a rainy season, throwing your schedule off.
Again, thank you so much for the beautiful work.

Emoree, thank you for the note regarding spring clean-up. Yes we have had this done in the past, but in recent years I and my wife have been doing this on our own. We are both retired and I like to do as much of the yard work myself as possible. I get great satisfaction of accomplishing these task as well as saving some \$'s. I will say your service is well worth the money when we utilize it and we have been extremely happy the results.

I continue to appreciate the excellent service you provide with your Deluxe Lawn Care and Tree/Shrub Care programs. Your workers are top notch and very attentive and knowledgeable. I also am extremely appreciative of your willingness to respond to my requests for intermittent Mow and Trim service for those times I am on vacation.

Please extend my thanks to Todd, Mark and the rest of your staff for the excellent service your team has provided Janet and me over the past 8+ years. I am happy to say I get many compliments from my neighbors due in large part to your services.

Thank you also for going ahead and fitting us into your busy schedule. The guys got our "general clean-up" done yesterday, and everything looks great!....."word of mouth" can go a long way! I've been getting a lot of inquiries [on my lawn] and have been happy to let everyone know it's PVL!
